Supplementary material

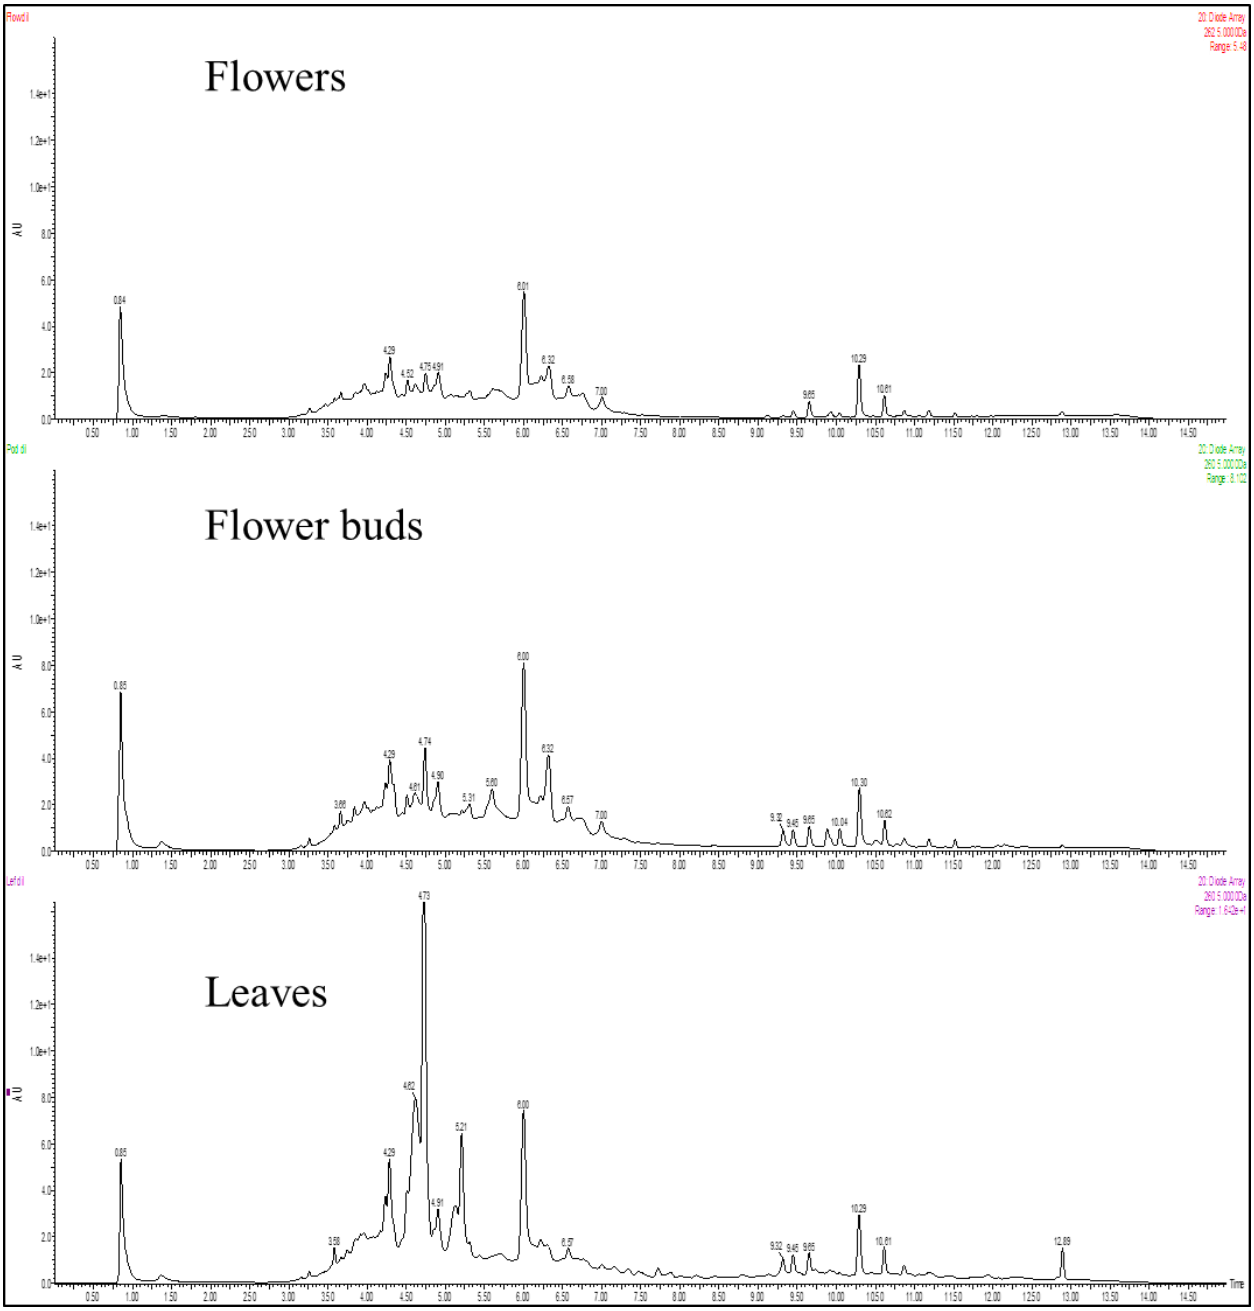

Figure S1. UPLC-QqQ- MS/MS total ion chromatogram (TIC) of *C. auriculata* extracts.

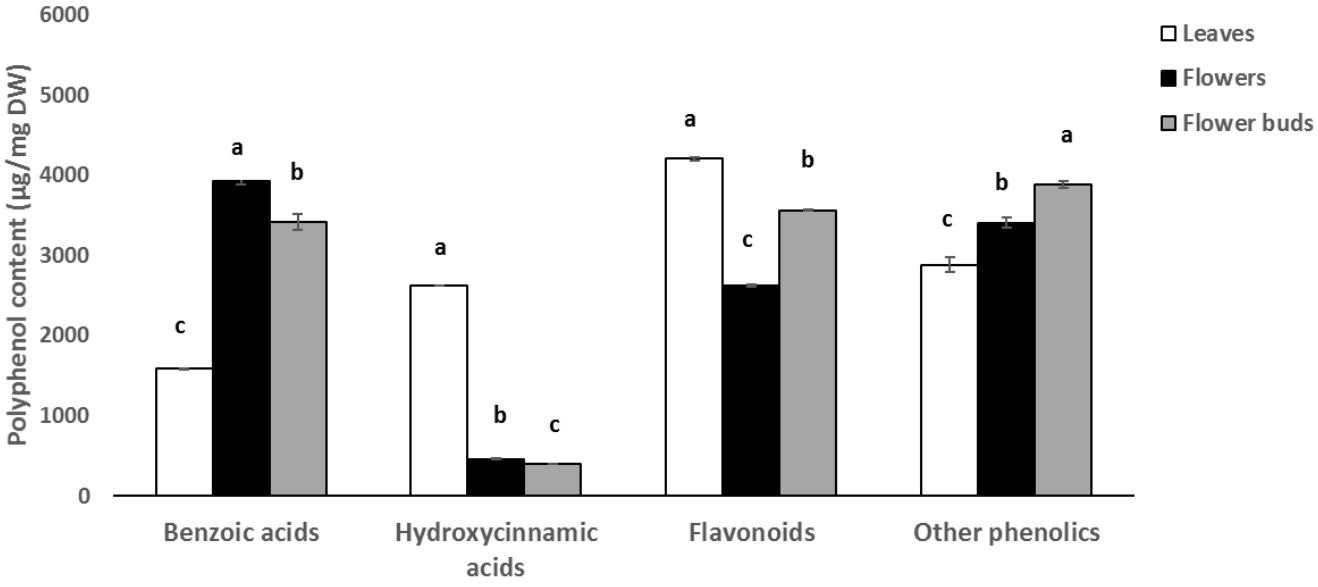

Figure S2. Comparative quantitative analysis of polyphenolic classes contents across *C. auriculata* plant parts. Values are Mean ± SE (n = 3).

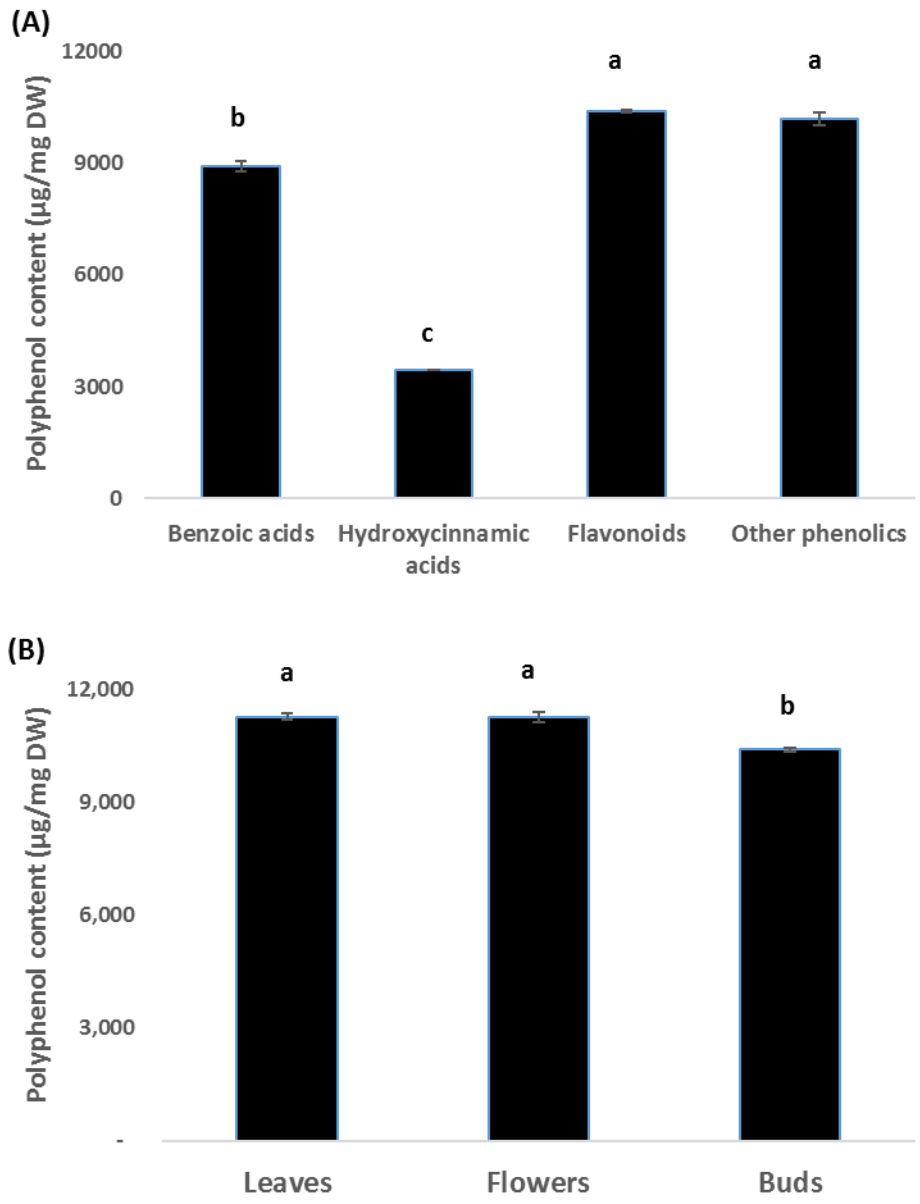

Figure S3. Polyphenol contents of *C. auriculata*. (A) Across polyphenolic classes (B) Across plant parts. Values are Mean ± SE (n = 3).
